With the arrival of life-saving vaccines, we are all beginning to see the horizon in our global fight against COVID-19. Prince Edward Island has been in an enviable position and that is thanks to the hard work of all Islanders.

A great deal of thanks also goes to the entire law enforcement community who have been instrumental in how PEI has responded to public health measures. This important community of police and conservation officers, dispatchers, correctional staff and, of course, Crime Stoppers have all stepped up in a meaningful way to keep Islanders and our communities healthy and safe.

I am proud to count Crime Stoppers and the law enforcement community among the important leaders who serve the residents of our province. I look forward to continuing our strong relationship many years forward.

On behalf of the Department of Justice and Public Safety, I would like to thank Mr Rodd and Board of Directors of Prince Edward Island Crime Stoppers for the invitation to join Crime Stoppers and have a Conservation Police Officer from Justice and Public Safety represent our agency at committee meetings.

2020 has been a challenging year for law enforcement across the province; this is also true for Conservation Police Officers in Justice and Public Safety. In March of 2020, JPS Officers were tasked with enforcement responsibilities of Public Health Orders from the Chief Public Health Officer.

Islanders really stepped up to keep each other safe but also report individuals and companies not following Public Health Orders. A number of tips from the public led to charges under the PHA for non-compliance. This important work did take JPS Officers away from our usual law enforcement responsibilities but JPS made response to public complaints a priority.

When the pandemic ends, JPS Officers look forward to policing our Island, keeping Islanders safe and protecting our environment. JPS continues to receive tremendous support from our policing partners across the province, this support is critical to our success and safety of Islanders. I look forward to continuing our partnership with P.E.I. Crime Stoppers and the valuable service it provides to law enforcement and safe communities.

Wade MacKinnon
Chief Officer
Department of Justice and Public Safety

Congratulations once again to PEI Crime Stoppers for continuing their good work for 2021, in producing their Annual Awareness Guide. Since the program began on PEI in 1989, well over 950 arrests have been recorded along with over 600 charges laid as a result of over 10,500 tips received, and 3.25 million dollars in cash, stolen property and drugs seized along with over 1300 cases cleared. This program is yet once again one of the greatest crime-fighting resources law enforcement has at its disposal, and it must remain as an integral component in assisting in solving crime. Crime Stoppers helps to reduce crime and the fear of crime in homes, schools, businesses, and communities. Crime Stoppers assists law enforcement in generating leads on cold cases, new investigations, details on current high-profile cases, and locations of individuals with outstanding warrants. The tip information provided to law enforcement officers and investigators help solve cases that would not have been solved otherwise, such as hit & runs, robberies, B & E's, narcotic offences, arsons, and many other crimes.

Crime Stoppers is a civilian, non-for-profit, charitable organization that brings together three entities in a relationship, the police services of a community, the media and the community in the fight against crime.

Crime Stoppers recognizes that often the men and women of law enforcement go above and beyond to make PEI a better and safer province to work and raise a family. The success of Crime Stoppers is based on the partnership between law enforcement, the media and the citizens of Prince Edward Island. There is no doubt that all law enforcement officers work diligently to ensure the safety and well-being of our communities, often contributing to the communities they serve in ways that shows their true commitment to serving the public.

Crime Stoppers provides citizens with a vehicle to anonymously supply the police with information about a crime, or potential crime of which they have knowledge. Crime Stoppers as an independent charity, are not part of the police and simply act as a route for members of the public to speak out about issues that affect their communities. A reward of up to \$2,000 is offered up to anyone providing information which leads to an arrest for a crime. Rewards may also be made for information leading to the recovery of stolen property, the seizure of illegal drugs or an arrest on an outstanding warrant.

A volunteer board of Directors actively administers and is responsible for the program. Like mentioned, Crime Stoppers is a non-profit charitable organization and is responsible for raising funds and the disbursements of rewards. The Board of Directors work in close cooperation with police agencies and all areas of the media and contributions from individuals, corporations, professional associations, retailers, civic and social groups keep the Crime Stoppers program functional.

Police services across the Island strongly support Crime Stoppers as do government agencies with enforcement responsibilities. The coordinator is responsible for the tips line, media releases, liaising with the Board of Directors and maintaining a rapport with enforcement agencies. The community component (the Board) is responsible for program policy, fund-raising, promotions, development of short and long-term planning along with keeping financial records.

It is imperative that all police agencies partner with Crime Stoppers and the media so the program can help officers solve crimes as the media is a very important component of Crime Stoppers. An unsolved crime can be re-enacted and shown on television, social media, or may be publicized in a newspaper or aired on radio so the media brings the program to the attention of the public. Finally, citizens must play an active role in community safety by coming forward anonymously with information in relation to crimes. Summerside Police Services have an ongoing commitment to continue to support Crime Stoppers and its programs, and we will continue to do so in the future.

Thank you and congratulations once again to the Board of Directors on another successful year. We certainly look forward to hearing about your continued success in helping to keep communities safe across our great province.

On behalf of Kensington Police Service, I would like to commend Don Rodd as well as the executive and board members for another successful year with PEI Crime Stoppers. I would like to take this time to welcome aboard the new President Mark Pharand.

Over the past couple of years, we have noted that more and more citizens are using Crime Stoppers to get tips to law enforcement regarding impaired drivers and drug related offences. This information helps police to carry out investigations and often leads to the arrest of persons involved in criminal activity.

PEI Crime Stoppers continues to be a major asset to the policing community on PEI. Numerous arrests are made annually, suspects identified, drugs seized and property recovered as a result of tips contributed by the public. This leads to our Island communities being safer places to work and live.

In conclusion, we encourage Islanders to continue using this service as it is a very valuable tool to assisting police agencies to solve crimes. Remember - Crime Stoppers wants your information, not your name! And you will note that there are now 3 ways to provide your tips which include telephone, online and the crime stoppers app.

Chief Lewie Sutherland
Kensington Police Service

Crime Stoppers has become an important partner in solving crime on Prince Edward Island over the years and, as Commanding Officer of the Royal Canadian Mounted Police (RCMP) of Prince Edward Island, I am honoured to be part of the PEI Crime Stoppers program and this year's Annual Awareness Guide.

The relationship between police agencies on the Island and PEI Crime Stoppers has developed a secure connection with citizens who are eager to assist with fighting crime. With the assistance of PEI Crime Stoppers, police are able to gather information from Island communities to solve crime and sometimes stop crime before it happens.

Community members who have information which may be useful to police are able to use the services of PEI Crime Stoppers to anonymously submit details that can play a key role in keeping our neighbourhoods safe. Often it's the smallest detail that results in furthering an investigation and stopping criminals from violating property, people and our sense of safety. The ability for concerned citizens to anonymously submit information on the phone, web site and/or text message securely means that more information can be provided in a manner that ensures the safety of the person submitting. It allows people to feel safe and also helps police and their fellow community members in the collective fight against crime.

This new Awareness Guide is a key component for the organization to grow awareness and good faith in the communities it serves.

Thank you to all of the concerned citizens who have already provided information and have played a vital role in keeping our neighbourhoods and our people safe. Your contributions have undoubtedly helped police by contributing to the information needed to stop crime.

It is also my great honour to thank the volunteer Board members and many community members who have given of their time to further the work of Crime Stoppers here on PEI. On behalf of the employees of the RCMP on Prince Edward Island, I would like to thank all of those involved in the Crime Stoppers program through fund raising, public awareness, education and numerous other activities on a volunteer basis.

Thank you PEI Crime Stoppers for the many years of service to Islanders and visitors to our province and wish everyone involved many more years of success!

Chief Superintendent Jennifer Ebert
Commanding Officer, "L" Division RCMP, Prince Edward Island

On behalf of the Charlottetown Police Department, I wish to congratulate the PEI Crime Stoppers organization on their 31st year of operation and for producing their 21st Annual Awareness Guide.

Crime Stoppers has certainly recognized that the fight against crime is a responsibility shared throughout society. Through hard work and dedication, the Volunteer Board Members and Coordinator, Don Rodd, have demonstrated a leadership role in providing such a worthwhile program within our Island communities.

This is a positive program, which assists policing agencies in the investigation of criminal activities. Positive tip information provides useful information, reducing investigation time, which in turn can permit agencies to direct resources into other proactive work within the community.

Thank you to Crime Stoppers for helping keep our Island communities safe and strong.

President's Message

2020 has come and gone and will be remembered as a challenging time for many of us.

Once again, it is my honour and privilege to extend my sincerest thanks to our dedicated Board of volunteers, police advisors past and present and our Coordinator, Don Rodd for the many hours of volunteer time and support of our PEI Crime Stoppers program. Considering the current logistical obstacles, they continue champion the goal of ensuring that PEI Crime Stoppers continues to contribute to public safety in our province.

We continue our community service through the Tips program, Twitter, Facebook and our website, anti-bullying work, close cooperation with PEI police services, and other public safety initiatives where possible.

We ask you to take the time to review the unsolved crimes, missing person notices, and messages from our Island police services to help us work for a safer PEI.

Even with reduced in-person access, PEI Crimes Stoppers continues to ensure Islanders have ready access to our three completely anonymous Crime Stoppers contact methods:

- * Mobile App for Androids and iPhone available at www.peicrimestoppers.com
- * Telephone 1-800-222-TIPS
- * Our online form at www.peicrimestoppers.com

Since Crime Stoppers PEI continues to receive received tips, leading to solved crimes, seized drugs and recovered property. 2020 was another year where we saw the tip counts rise. Our tipsters are helping out our local communities and policing partners.

As in Previous years, we are pleased to offer this guide as part of this public safety effort and continue to work actively to serve PEI public safety. Please take the time to go through our Awareness Guide to see some of our many activities and initiatives.

Yours very truly,
Mark Pharand
President PEI Crime Stoppers

Coordinator's Message

Crime really does affect us all and PEI Crime Stoppers is a program that empowers regular people to fight back against crime. Anyone can submit an anonymous tip by using our tips line, website or mobile app. We don't need your name - just your information. We don't ask for names or numbers and guarantee it is 100% anonymous.

Crime Stoppers operates in over 20 countries worldwide and since the very first program started in 1976, we have become the number one community based crime solving organization in the world. Our local Crime Stoppers program has been stopping, solving and preventing crime in Prince Edward Island since 1989.

In addition to actual crimes solved, our tips provide law enforcement with valuable intelligence on criminal activities that allow policing agencies to target serious and organized crime groups conducting illegal activities.

Crime Stoppers is made up of three partners: the community, law enforcement and the media. We owe our success to all three. First the community; those who provide tips, financial support and of course our volunteer Board of Directors. These folks are the backbone of our operation, helping with projects, attending events, working on special events and providing person power or expertise. We would not exist without them. Our policing partners who diligently investigate the information we provide and solve the crimes and our Media partners who make the public aware of the crimes.

Having said that, I would like to congratulate and thank our tipsters, volunteers and partners who have, over the past years, given of their time and talents to make PEI Crime Stoppers what it is today. I would encourage you to visit our website: www.peicrimestoppers.com to gain additional insight into our organization.

We live in a wonderful province and enjoy, for the most part, a very safe place to live, learn and do business. Working together we can ensure it stays that way.

Together we are making a difference!

Don Rodd
Provincial Coordinator
PEI Crime Stoppers

Maintaining community safety is a responsibility we all share, requiring strong collaboration between the public, the police, and the media. Crime Stoppers PEI plays a crucial role in this network, and they have established themselves as a trusted resource for members of the community to confidentially report their concerns.

On behalf of Charlottetown City Council, I would like to extend our gratitude to the volunteers and Board of Crime Stoppers for doing their part in reducing crime and keeping Islanders safe.

2020 PEI HOME SHOW

We had a very busy weekend at the PEI Provincial Home Show. Thanks to Master Promotions for giving us the opportunity to meet so many people and have the opportunity to explain our program here on PEI. We would also be remiss if we didn't give a big tip-of-the-hat to all the volunteers who worked in our booth over the weekend and all the folks who dropped by. It was great to see you all and hope to see you next year at the show.

Cold Case / Suspicious Death 2015

On April 12th 2015 the RCMP's Major Crime Unit in Prince Edward Island entered into an investigation relating to the discovery of a deceased infant child found near the Birch Hill Free Church of Scotland in Mount Albion. Over the past five years countless avenues of investigation have been pursued and tips followed up, with negative results. Numerous tips came in, and were followed up. Over the course of the investigation the RCMP have released pieces of the investigation to the public in hopes of obtaining additional information on the death. The baby was a full term baby boy and was swaddled in a towel with a distinctive embroidered frog on same. (photo attached of a towel with similar frog on same)

The investigation is still active and the RCMP are still looking for any information that the public has to offer. You can call the RCMP Major Crime Unit at (902) 566-8816 or If you wish to remain anonymous, you can provide information to PEI Crime Stoppers in the following manner:

COLD CASE: HOMICIDE

Byron Carr, 1988

Byron Carr was last seen alive at approximately 3:30 a.m. on Friday, November 11, 1988, which was the beginning of a long Remembrance Day weekend. He was driving a 1987 white Ford Tempo westward on Sydney Street near the corner of Great George Street, Charlottetown. Thirty-one hours later, he was found dead in the bedroom of his home at 24 Laphorne Avenue, Charlottetown. Time of death was determined to be between 3:30-9:00 a.m. on November 11th. Evidence at the scene indicated that his death followed a sexual act with a male. Carr was strangled and stabbed, and the killer left a note saying "I WILL KILL AGAIN!" Investigators are interested in speaking to anyone who may have been on city streets at that time. No matter how insignificant your information may seem to you, it may be important to investigators. Remember,

"Crime Stoppers is not about telling on people ... it is about protecting your family, your home and your community!"

1. Releasing the photo is another step in the investigation.
2. The message was located on a wall within the victim's residence and is believed to be have been left by the person responsible for the death of Byron Carr.
3. The message has been examined by experts in the field of handwriting and printing analysis, however, we hope that by releasing it to the public, someone may recognize the characteristics or style of the print letters within the message and be able to associate them to a person.

If anyone has information, they are asked to call the Charlottetown Police, Crime Stoppers or the Byron Carr Hotline 1-887-566-3952.

Remember: We want your information, not your name!
