Great things happen here.

On behalf of Charlottetown City Council, I would like to extend our thanks to the volunteers and Board of Crime Stoppers.

Their hard work and dedication in building partnerships with the public, police and media help in keeping our communities safe.

City of Charlottetown

2020 has been an unexpected year for Prince Edward Island. It has called on Islanders from every community to change our way of life.

While our province has been fortunate with a small number of COVID-19 cases, and as we ease back gradually the measures to renew PEI, together, we recognize that the law enforcement community of Prince Edward Island played an important role in the provincial response.

The Government of Prince Edward Island recognizes the important work that Crime Stoppers does for Island communities, and in particular this year, the enhanced role they have played to support the public health measures we have in place.

Islanders appreciate having an alternative crime reporting service that can provide them the confidence and security of knowing their concerns are being heard confidentially. During these challenging times, the service this organization is needed more than ever when people are feeling uncertain and anxious.

I am proud to be able to count Crime Stoppers PEI as a partner in making our communities safer and I expect we will continue to strengthen our relationship for years to come.

On behalf of the Charlottetown Police Services, I wish to congratulate PEI Crime Stoppers on their 30th year of operation and for producing their Annual Awareness Guide.

Key components in addressing crime and improving community safety are education and information. Through the preparation of the Awareness Guide, Crime Stoppers has also fulfilled a role in crime prevention, by providing information that is both timely and practical.

They further assist, by providing the means for concerned citizens to supply police organizations, like ours, with information.

In addition, through the operation of the Crime Stoppers Tip Line, police agencies across the Island are able to field investigative leads that have helped solve outstanding crimes and prevent the perpetrators from victimizing others.

Crime Stoppers has seen a steady increase in tips being received and cases being solved. The efforts of Crime Stoppers not only assist in solving crime, but also play a role in the seizure of illicit drugs and the recovery of stolen property. Tips provide police and others with valuable insight into the crime trends in our communities and neighbourhoods. Better awareness leads to better prevention, which ultimately leads to safer communities.

Crime Stoppers cannot operate without dedicated, hard-working people. Charlottetown Police Services is proud to work with the Volunteer Board. We also wish to thank the outgoing Program Coordinator, Scott Lundrigan for his dedicated work, and wish all the best to the new Program Director, Don Rodd. These individuals and the many sponsors of the program recognize the value and positive impact that Crime Stoppers has within our community.

Thank you to Crime Stoppers for helping keep our Island communities safe and strong.

A. Paul Smith, O.O.M.
Chief of Police
Charlottetown Police Services

Congratulations once again to PEI Crime Stoppers for continuing their good work, in producing their Annual Awareness Guide. Since the program began on PEI in 1989, over 950 arrests have been recorded along with over 600 charges laid as a result of over 10,500 tips received, and 3.25 million dollars in cash, stolen property and drugs seized along with over 1300 cases cleared. This program is once again one of the greatest crime fighting resources law enforcement has at its disposal, and it must remain as an integral component in assisting in solving crime. Crime Stoppers helps to reduce crime and the fear of crime in homes, schools, businesses, and communities. Crime Stoppers assists law enforcement in generating leads on cold cases, new investigations, details on current high-profile cases, and locations of individuals with outstanding warrants. The tip information provided to law enforcement officers and investigators help solve cases that would not have been solved otherwise, such as homicides, hit & runs, robberies, B & E's, narcotic offences, arsons, and other violent crimes.

Crime Stoppers is a civilian, non-profit, charitable organization that brings together three entities in a relationship, the police services of a community, the media and the community in the fight against crime. Crime Stoppers recognizes that often the men and women of law enforcement go above and beyond to make PEI a better and safer province to work and raise a family. The success of Crime Stoppers is based on the partnership between law enforcement, the media and the citizens of Prince Edward Island. There is no doubt that all law enforcement officers work diligently to ensure the safety and well-being of our communities, often contributing to the communities they serve in ways that shows their true commitment to serving the public.

Crime Stoppers provides citizens with a vehicle to anonymously supply the police with information about a crime or potential crime of which they have knowledge. Crime Stoppers as an independent charity, are not part of the police and simply act as a route for members of the public to speak out about issues that affect their communities. A reward of up to \$2,000 is offered to anyone providing information which leads to an arrest for a crime. Rewards may also be made for information leading to the recovery of stolen property, the seizure of illegal drugs or an arrest on an outstanding warrant.

A volunteer board of Directors actively administers and is responsible for the program. Crime Stoppers is a non-profit charitable organization and is responsible for raising funds and the disbursements of rewards. The Board of Directors work in close cooperation with police agencies and all areas of the media and contributions from individuals, corporations, professional associations, retailers, civic and social groups keep the Crime Stoppers program functional.

Police services across the Island strongly support Crime Stoppers as do government agencies with enforcement responsibilities. The coordinator is responsible for the tips line, media releases, liaising with the Board of Directors and maintaining a rapport with enforcement agencies. The community component (the Board) is responsible for program policy, fund-raising, promotions, development of short and long-term planning along with keeping financial records.

All police agencies must partner with Crime Stoppers and the media so the program can help officers solve crimes. The media is a very important component of Crime Stoppers. An unsolved crime can be re-enacted and shown on television or may be publicized in a newspaper or aired on radio so the media brings the program to the attention of the public. Finally, citizens must play an active role in community safety by coming forward anonymously with information in relation to crimes. Summerside Police Services have an ongoing commitment to continue to support Crime Stoppers and its programs, and we will continue to do so in the future.

Thank you and congratulations once again to the Board of Directors on another successful year. We certainly look forward to hearing about your continued success in helping to keep communities safe across our great province.

On behalf of the Kensington Police Service I would like to commend Don Rodd for a very successful year with PEI Crime Stoppers.

PEI Crime Stoppers is a major asset to our Island. It has allowed for many crimes to be investigated and solved due to anonymous tips being supplied to law enforcement, which may not otherwise have been discovered. Our Island communities become safer each time your tips lead to drugs being taken off the streets, impaired drivers being caught, and criminals being charged and convicted.

We encourage Islanders to continue providing tips to PEI Crime Stoppers whether by phone, electronically, etc., as this is a valuable tool that assists all PEI law enforcement to stop and solve crimes, and keep our communities safe.

Remember, PEI Crime Stoppers wants your information not your name.

Chief Lewie Sutherland
Kensington Police Service

As Commanding Officer of the RCMP on Prince Edward Island, I have a deep appreciation for the work done by PEI Crime Stoppers.

Prince Edward Island is uniquely positioned as the safest province in Canada. Part of the reason for that success is PEI Crime Stoppers and the people of PEI who contribute information to fight crime.

Our Island policing family work hard to deter crime and keep Islanders safe. But, obviously we cannot be everywhere all of the time. That means we rely on the information provided by caring Islanders to inform us of trouble so we can attend. Crime Stoppers anonymous tips submission method allows the public to assist police with the work they do and quite often it's the anonymous tip that helps to solve a crime.

This Annual Awareness Guide, which provides readers with an overview of the excellent work undertaken by the hardworking and dedicated Board members, many community contributors who work diligently on a volunteer basis and especially Mr. Don Rodd, Provincial Coordinator. Supporters of this program work hard to continually fund raise, promote, educate, and develop public awareness to further the efforts of policing and community safety. Their work is key to engaging people to help keep our Island safe and to work together to curtail criminal activity.

I commend PEI Crime Stoppers for the work they do for the people of Prince Edward Island and the policing and legal communities.

We all have a part in keeping the communities across the Island safe and stopping criminal activity before harm can be done. Your voice can be a powerful tool and the tips provided to PEI Crime Stoppers have resulted in many convictions, proving that speaking up CAN make a difference.

On behalf of the RCMP on Prince Edward Island, I would like to thank everyone involved in P.E.I. Crime Stoppers; and those who take the time to provide tips, thank you for your contribution to a safer Island.

Chief Superintendent Jennifer Ebert
Commanding Officer, L Division RCMP
Prince Edward Island

We are particularly proud of the fact that since our inception in 1989 PEI Crime Stoppers has helped our law enforcement partners solve 1,324 criminal cases and assisted in the recovery/seizure of property and drugs valued at \$3,254,817 in our province. This shows that by the collaborative effort of the community, law enforcement and the media we are making a difference.

President's Message

It is my profound honour and privilege to extend my sincerest thanks to our dedicated Board of volunteers past and present and our Coordinator, Don Rodd for the many hours of volunteer time and support of our PEI Crime Stoppers program. They champion the goal of ensuring that PEI Crime Stoppers continues to significantly contribute to public safety in our province. Please take the time to go through our Awareness Guide to see some of our many activities and initiatives.

We ask you to take the time to review the unsolved crimes, missing person notices, and messages from our Island police services to help us work for a safer PEI.

As we bank, shop, and socialize online, criminals have exploited the vulnerabilities of our computer systems and our own natural human emotions. Therefore, we continue to move forward with our community work on scam-awareness. To date, we have delivered over 11 presentations on the Common Signs of Scams presentation to Island audiences as a public service.

Through these challenging times and where possible, we continue our community service through lectures, Tips program, Twitter, Facebook and our website, anti-bullying work, Police Officer of the Year recognition, close cooperation with PEI police services, and other public safety initiatives. One of these successful initiatives was our sticker campaign to make our contact information more readily available to PEI citizens was a great success.

Thanks to our summer student who approached hundreds of Island business to display our contact information at their entrances. Our summer student has also distributed our PEI Crime Stoppers anti-bullying posters to all Island schools.

This successful initiative was to ensure Islanders have ready access to our three completely anonymous Crime Stoppers contact methods:

- * Mobile App for Androids and iPhone available at www.peicrimestoppers.com
- * Telephone 1-800-222-TIPS
- * Our online form at www.peicrimestoppers.com

Why do we do all that we do? This is asked by many who visit our many yearly events. It is quite simple to answer: Since Crime Stoppers started on PEI, we have received nearly 10,557 tips, leading to over 3.2 million dollars in seized drugs and recovered property.

We are pleased to offer this guide as part of this public safety effort and continue to work actively to serve PEI public safety.

Yours very truly,

Mark Pharand
President PEI Crime Stoppers

Coordinator's Message

I am the recently appointed Provincial Coordinator for PEI Crime Stoppers and work with a dedicated volunteer Board of Directors, who are responsible for the our organization. It is their commitment to this organization, which makes it work so well. I would like to thank Scott Lundrigan, the former Coordinator, for his assistance when I began the role and for being available for questions.

First, I would like to extend my thanks for the support, assistance and encouragement of the media, our community, and the provincial and municipal governments on PEI along with our law enforcement partners.

In addition, our sponsors the Summerside Boys and Girls Club, Maritime Electric, ADL Limited, P.E.I. Mutual Life, Syntrak Printing and Unsolved Crime Publications have been a tremendous assistance to us in providing financial support to our operation.

Once again, February 2019 saw PEI Crime Stoppers partner with the English and French Language Schools Boards along with sponsors ADL, the Charlottetown Islanders Hockey Club and Summerside Boys and Girls Club to hold a contest to design a logo for our 2020 Pink Shirt Day aimed at raising awareness of bullying and its negative effects.

January through March in support of Pink Shirt Day, we together with the Charlottetown Islanders' hockey club players, visited a number of schools in the English and French language School Board to present an anti-bullying message to the students. These visits were well received by the students and enjoyed by the players.

PEI Crime Stoppers were pleased to take part in the 2019 PEI Home Show from March 8th to 10th. We had many visitors at our booth, which gave us the opportunity to explain who we were, how our program works and outline some of our successes. Big thanks to our volunteers who staffed the booth.

Throughout the year, we continued our community service work on scam awareness. Retired RCMP Chief Superintendent Randy Robar and I delivered the Common Signs of Scams presentation as a public service to Islanders.

A local summer student was hired to increase our profile in PEI. He attended a number of summertime parades and community events and visited 1,556 business locations leaving promotional stickers on over 1,300 businesses to raise public awareness of Crime Stoppers.

The number of new tips received from January 1 to December 31, 2019 was 514 tips for a total of 10,572 since PEI Crime Stoppers was incorporated in 1989.

Thank you to individuals, communities, local businesses, provincial government and law enforcement agencies for your continued financial support of our operation.

A special thank you to those individuals who have reached out to us with your tips. The tips do make a difference in helping us assist local law enforcement agencies to make our Island a safer place to live and do business.

We look forward to working and growing with you to make 2020 another successful year.

Thank you for your support.

2020 PEI HOME SHOW

We had a very busy weekend at the PEI Provincial Home Show. Thanks to Master Promotions for giving us the opportunity to meet so many people and have the opportunity to explain our program here on PEI. We would also be remiss if we didn't give a big tip-of-the-hat to all the volunteers who worked in our booth over the weekend and all the folks who dropped by. It was great to see you all and hope to see you next year at the show.

Great Job, Georgia!

Appreciation Award to Design for Pink Shirt Design Contest

Pictured with **Don Rodd**, Provincial Coordinator for Crime Stoppers PEI is **Alice MacDonald** of Stone Park Intermediate School in Charlottetown. Alice's submitted the design for the 2021 Pink Shirt Design Contest but it was too intricate to put it on a T-Shirt. It did capture very clearly the many types of Bullying experienced today.

Runner-Up Winner **Ben Nogler** holding his entry to the 2021 Pink Shirt Design contest. Runner-Up prize is an autographed Charlottetown Islander Hockey Stick.

Steven O'Brien – Missing Person

Graduation Photo at 17 1/2 years

Age 18 1/2 years

Age progression to 35-years

Charlottetown Police Service have an open Missing Persons file for a Steven O'Brien. Steven was last seen downtown Charlottetown late in the night of Saturday, March 20, 1993. He was wearing a burgundy L.L. Bean jacket with plaid inside, blue jeans and black shoes or sneakers. He left without his wallet, keys or other personal effects. Attached are pics of Steven from his Graduation when he was 17.5 yrs of age, his picture at 18.5yrs and an age adjusted rendition of what he might look like at age 35.

His family are still looking for him, as well as the Charlottetown Police Service and you can view the Facebook page, "Remembering Steven O'Brien". The O'Brien family have created a scholarship for the Culinary Institute, where Steven took his Chef's Training. There is also a Youtube video entitled "Remembering Steven O'Brien". If you have any information on Steven please contact the Charlottetown Police Service.

Cold Case / Suspicious Death 2015

On April 12th 2015 the RCMP's Major Crime Unit in Prince Edward Island entered into an investigation relating to the discovery of a deceased infant child found near the Birch Hill Free Church of Scotland in Mount Albion. Over the past five years countless avenues of investigation have been pursued and tips followed up, with negative results. Numerous tips came in, and were followed up. None of these tips led to any viable suspects.

Over the course of the investigation the RCMP have released pieces of the investigation to the public in hopes of obtaining additional information on the death. The baby was a full term baby boy and was swaddled in a towel with a distinctive embroidered frog on same. (photo right: of a towel with similar frog on same)

The investigation is still active and the RCMP are still looking for any information that the public has to offer. You can call the RCMP Major Crime Unit at (902) 566-8816

Missing Person – Stacey Gail Smith

Charlottetown Police Services is seeking the public's assistance in locating Stacey Gail SMITH, age 41. She was last seen leaving the Queen Elizabeth Hospital on January 15, 2018 at 8:30pm, and believed to be walking westbound on Riverside Drive.

- Height: 5'8" • Medium build • Brown hair

SMITH was wearing light coloured pants, black jacket, pink toque covered by a light coloured hoodie.

Anyone who may have seen SMITH, or have contact with her is asked to contact police at 902-629-4172
